

2022-2023

EQUINE-ASSISTED SERVICES MAJOR, B.A.

Science & Health Department; School of Science, Health & Mathematics

The graduate of Equine-Assisted Activities can choose to specialize in any of the three main career tracks that currently exist in the field Equine-Assisted Services (EAS), including Therapeutic Riding and Equine-Assisted Activities, Equine-Assisted Mental Health Services, and Equine-Assisted learning services. The Equine-Assisted Activities major includes core courses specific to EAS practices, in addition to courses specific to Equine Studies. Students can choose between the following emphases: Therapeutic Horsemanship and Riding Certification, EAS Program Management, and Equine-Assisted Mental Health.

To graduate must complete all major requirements, foundational requirements, and additional electives needed for 124 hour minimum degree requirement.
