ASBURY UNIVERSITY
REUNION 2024

JUNE 21–23

WELCOME BACK TO ASBURY!

Welcome back to campus! We hope your Reunion experience is memorable and renewing. We believe that God's goodness will be apparent throughout our time together, refreshing our dry and thirsty souls. He is Jehovah El-Ashiyb, The Lord My Restorer. We are praying for soft hearts and open hands as we meet. He is with us and we invite Him into our conversations and our singing. Come, Holy Spirit, come.

The Alumni team is here to serve you. If you need anything, please find one of our Reunion Ambassadors or a team member. Our Guest Services can be found on the main floor of the Rader Student Center (Stuce).

Enjoy, laugh, share, sing and leave refreshed. May God's goodness fill our hearts to overflowing.

He is FAITHFUL.

THE ASBURY COLLEGE MARCH

Just within the village Wilmore, on a hill so fair,
Stands a college seen far distant with her purpose rare.

CHORUS:

Asbury College! She is the school we love,
Cheering her banner – the purple and the white!
Hurrah! for Asbury College that leads us to heights above!
We, her sons and daughters, when we part
To her purpose will be true!

East and West and North and South are students far and near;
Those from lands across the sea, they all are gathered here.

CHORUS

All the nations share the blessings of the student there;
For each one has been the subject of some teacher's prayer.

CHORUS

Written in 1916 by Irene McCague Ihde, professor of music

Leaving a Legacy

Regardless of your age, you can leave a legacy to support future generations of Asburians through a planned gift. As part of a wise financial plan, you can make a significant philanthropic investment in Asbury's educational ministry and gain financial and tax benefits for you and your family.

Common planned gifts include:

- A **charitable bequest** is made through a simple provision in your will or trust and allows you to retain control of your assets during your lifetime.
- A **charitable gift annuity** is a life income gift that provides future philanthropic support for Asbury, current income for you and lowers your taxes.
- More than a source of security for your future, **life insurance** is a versatile asset that can be left to Asbury as a charitable gift.

If we can help you with your estate plan, please contact the Planned Giving Office

Asbury University is privileged to honor a select few alumni who exemplify academic excellence and spiritual vitality. While many could receive this recognition, our 2024 award recipients are celebrated below and will be recognized at the President's Update on Saturday, June 22.

A AWARD RECIPIENTS

Dr. Mark "Skip" Elliott '69

A faithful follower of God with a love of learning, Dr. Skip Elliott continues to cultivate the gifts he has been given. Dr. Elliott is actively involved in writing, speaking engagements and advocacy on behalf of the Church in Ukraine and Russia. He has served as a history professor at several Christian universities, including Asbury, and he was the editor of the East-West Church and Ministry Report for more than 25 years. As director of the Institute for East-West Christian Studies at Wheaton College (1986-99), he served in a consulting capacity to approximately 100 church and parachurch ministries working in former Soviet bloc countries. He is a founding member of the Russian-American Institute (Moscow); he negotiated and led a student exchange program with Moscow State University; he helped launch a program of international adoption of special needs Russian orphans; and he hosted Moscow conferences on business ethics and the role of women in the church. He has published numerous articles, an anthology, and many books, including, "Taken by Surprise" about the Outpouring Asbury University experienced in February 2023. Dr. Elliott served on Asbury's Alumni Board and the Board of Trustees. He serves as a leader and connector for the Knight Class. He has committed his life to giving dignity to all made in the image of God.

Dennis '84 and Michelle Hoffman '82 Craker

Dennis '84 and Michelle Hoffman '82 Craker have faithfully served both internationally and domestically with World Gospel Mission (WGM) for almost 40 years, serving the greater Chinese community in Asia. Servant leaders, they have filled many different roles in their ministry and calling. Dennis conducted leadership and ministry training for leaders and pastors, emphasizing pastoral care and counseling, eventually obtaining a work visa in the country where they lived. This work has been a testament to the power of God, His grace and Divine calling to persevere and experience first-hand the growth of the Church. Michelle worked at the Morrison Academy and then as an administrative assistant to a senior pastor at an international English church. Her hospitable nature saw them hosting multitudes of local pastors, leaders and students in their home. Since Covid, the Crakers are living state-side. Dennis conducts much of his ministry online while pastoring a local Chinese church in South Carolina. Michelle coordinates WGM's efforts to mobilize non-U.S. global workers heading to non-U.S. areas of ministry, utilizing technology and multiple translators. Much of what they do cannot be shared but they march on. "It has been an indescribable journey of experiencing the power of God, the power of prayer, and the power of perseverance. What an incredible experience to partner with Him on this journey and to experience first-hand the growth of the church, the power and faithfulness of God, and to see His mighty hand and glory displayed in the lives and testimonies of believers."

DISTINGUISHED YOUNG ALUMNI AWARD

Marcus Rixon '14

Marcus Rixon '14 is a young alum who has used his entrepreneurial enthusiasm, his love of all things music, his tireless energy, and a rock solid work ethic to build a career in the music industry. As an artist manager in Nashville, he is owner and president of Rixon Entertainment. With roots in artist management, branding, social media, networking, distribution and digital marketing, he works with clients, like Mark Schultz and Selah, to create a strategic plan for success. Marcus has built upon his experiences from Asbury, the Olympics, recording studios, tour management and partnerships with Lucid Artist Management. All of this is fueled by a deep love of Christ, an abiding gratitude for the generosity of others, and an acknowledgement of standing on the shoulders of those who have gone before him. He has taken what was invested in him and invested in others. While serving on the Alumni Board, Marcus shared in a Chapel message about his story, recounting how grateful he was to those who poured into him, specifically those from the Physical Plant. "These were the people that let me stay in their homes when I had nowhere to go (home was in India). They kept me fed – physically and spiritually."

VOLUNTEERS OF THE YEAR

**Rebecca A. Wood '72 and
Marcella Vanlandingham '92**

As plans were announced for the Outdoor Venue at Asbury, Becky Wood '72 and Marcella Vanlandingham '92 began the conversation of a naming opportunity in memory of Dr. Rita Pritchett '69. Marcella, a former athlete under Rita's tutelage who is finishing her 29th year as head softball coach at Ohio Dominican University, and Becky, Rita's dearest friend and former Asbury professor, rallied alumni from each decade Rita taught at Asbury. In addition to serving as a professor, coach and mentor, Rita was the first female athletics director in the Commonwealth of Kentucky. They felt this was an obvious choice to pursue this opportunity, and the effort began to name the stadium in her honor. This groundswell of support in honor of Rita was summed up by Marcella: "My life was changed, and the career path I chose was a direct result of the mentoring I received from Rita Pritchett. I have been in collegiate athletics for nearly 30 years, and I have yet to come across anyone with quite the same passion, leadership and life-changing influence that she had. I think many of her former students and athletes would agree, she was one of a kind." When the project is complete, there will be cheering from our Pritchett Stadium seats, a key area of the Outdoor Venue that is being named for President Emeritus Dr. Sandra Gray.

2024 Reunion Gift Project: **RENOVATION OF RESIDENCE HALL COMMUNITY AREAS**

Each year, classes celebrating a banner reunion join to fund a project of significant importance to our alma mater. The 2024 Reunion Gift Project continues renovations of community spaces in the residence halls. The focus will be on common areas where students gather for fellowship and spiritual growth activities. Our giving will build upon what was raised by last year's reunion classes and is one way we can say to current students that we value them.

"I look forward to seeing the smiles on the student faces when they see their remodeled community spaces in the residence halls. We all remember our college days, gathering with friends. These community spaces are also an important first impression in the recruitment process. We need to get this done! Thank you in advance for joining my husband Kevin and me in supporting this worthwhile project!"
