

2018-2019

SOCIOLOGY MAJOR, B.A.

Social Science & History Department; College of Arts, Humanities & Social Sciences

Sociology is the study of human behavior and interaction in the context of culture and society within families, communities, and formal organizations. Sociology studies the social institutions formed by humankind and the influence these institutions have had upon the individual as well as groups. There are many specialties in sociology including but not limited to marriage and family, community, gerontology, criminology, demography, rural & urban studies, juvenile delinquency, social & political organizations, and many more.

To graduate must complete all major requirements, foundational requirements, and additional electives needed for 124 hour minimum degree requirement.
